YFML as responsible entity, has elected to opt into the Attribution Managed Investment Trust ('AMIT') regime for all of the above funds. For further information on the AMIT regime as it relates to our Funds, please refer to our website at <https://www.yarracm.com/AMIT>.

Please be advised that the above numbers are based on the assumption that all funds are Withholding Managed Investment Trusts ('Withholding MIT') and Attribution Managed Investment Trusts ('AMITs') in relation to the income year 30 June 2021.

* The table above states the 'Fund Payment' and 'Australian Interest Income & Unfranked Australian Dividends' (DIR Payment) amounts in cents per unit for each fund for the period ending June 2021. This information is solely for the purposes of determining MIT non-resident withholding tax under Subdivisions 12A-B and 12-H (for Fund Payments) and Subdivisions 12A-A and 12-F (for dividend, interest and royalty payments) of Schedule 1 to the Taxation Administration Act 1953 ('TAA'). This information is provided to assist unitholders with withholding tax obligations applicable to amounts distributed to non-residents. The information should not be relied upon by Australian resident unitholders in completing their tax returns.

^ A 'Return of capital' distribution has been paid. A 'Return of capital' represents non-assessable distribution of capital which results in a reduction to the cost base of unitholders' units in the Fund.
